Democrat Plan Wrong for Wisconsin

MADISON – After Senate Democrats passed tax increases and more government spending to “repair” the budget hole, Mark Jefferson, Executive Director of the Republican Party of Wisconsin had the following statement:

“When Wisconsin families run into tough budget times they don’t go on spending sprees hoping it will fix their cash flow problem. Failing to cut state spending and raising taxes in their budget repair bill, Senate Democrats want to do just that.

As Senators Obama and Clinton continue to flaunt their tax and spend big government plans, Wisconsin Democrats are following suit. The good, hardworking people of Wisconsin can get through this economic downturn as long as Madison politicians keep their hands out of taxpayers’ wallets. Higher taxes will only further slow the economy.”
