Interim President of the Tri-County Commerce Association, Bob Wolfgram, released this statement in reaction to Sheryl Albers' (R-Reedsburg) inability to 'run' for re-election because of health reasons, including a torn ACL:

“Like the hosts of Greeks who lost their mighty warrior, Achilles, at Troy, so to today does Wisconsin's rural economy lose its fierce champion. Representative Albers saw connections between policy issues and the health of Wisconsin's rural economy that others simply did not. Her voice resounding through the Assembly chamber is sure to be missed.”

The Tri-County Commerce Association is affiliation of local businesses in Monroe, Vernon and Richland counties.
