**Rep. Wasserman Commends Rep. Jeskewitz on Her
Outstanding Service**

Madison - State Representative Sheldon Wasserman (D-Milwaukee) released the following statement today:

“I would like to commend Representative Suzanne Jeskewitz for her tireless efforts in office over the last 12 years. She has come to what must have been a very difficult decision and the Legislature is lucky to have had her for as long as it did. The 24th Assembly District is losing a hard working representative who was always willing to reach across party lines to get things done. It is her commitment to her constituents and the State of Wisconsin that will be remembered. I am sure that we will continue to hear from Rep. Jeskewitz as she goes on to serve the public in new and different ways. Although I will miss this dedicated friend and colleague, I congratulate her on her time here and wish her success in all her future endeavors.”
